9/21/2020 L

*Upon obtaining permission from the Potentate, units may seek to purchase vehicles. Aladdin's policy regarding participating in the purchase follows: Clubs are NOT INCLUDED in this policy and are subject to other regulations.*

*Prior to any financial participation from Aladdin, the nobility must first approve the purchase and associated capital expenditure.*

## **Upon purchase:**

Aladdin and the UNIT will equally share in the purchase price of the vehicle. Thereafter, all repairs of the vehicle that are not covered by insurance or vehicle warranty during the vehicle amortization period will be borne by Aladdin. The amortization policy on vehicles will be assumed to be 60 months unless otherwise agreed upon (in writing) by Aladdin and the unit.

Routine maintenance (tires, oil changes etc.) will be at the expense of the unit at all times.

Fuel costs will be the responsibility of the UNIT, unless utilized for hospital transportation (Mileage or fuel costs will be reimbursed by Aladdin), or if specifically approved by the Potentate (in writing) for an Aladdin sponsored activity or event.

***Subsequent to the amortization period, the Unit will be SOLELY RESPONSIBLE FOR ALL COSTS associated with the vehicle with the exception of licensing and insurance.***

***Since all vehicles are the property of Aladdin, upon the sale of the vehicle, Aladdin will be the recipient of the proceeds from the sale. If the vehicle is being replaced by another, the vehicle may be utilized as a trade-in to reduce the new vehicle purchase price. REMEMBER, the unit must once again adhere to all of the steps of the Potentate and Nobility approval as described above.***
